

Specialist in the Spotlight

Mr Jim Tryfonopoulos General Surgeon

Mildura Health Private Hospital, in conjunction with Mildura Health Private Consulting, provide quality healthcare to both privately insured and self insured patients.

'Dr Jim', as he is affectionately known, completed his studies at Melbourne University in 1995 and subsequently undertook surgical training at the Alfred Hospital. The Tryfonopoulos family, comprising of his wife and two teenage sons, has called Mildura home since 2004.

Dr Jim consults from Mildura Health Private Consulting located at 220-228 Thirteenth Street, Mildura and when not working, he enjoys travel, cars, architecture and the Richmond Football Club.

**MR JIM TRYFONOPOULOS IS ACCEPTING REFERRALS
AT MILDURA HEALTH PRIVATE CONSULTING NOW**

General surgery focuses on surgical treatment of the abdominal organs, such as intestines, thyroid gland and hernias. In Australia, general surgeons are also responsible for breast care.
